

# Mending Souls Playtime Block

More Pictures and Information at [www.LoveMendingSouls.org](http://www.LoveMendingSouls.org)

**Need (6) of FUN cotton or flannel squares (5" min. to 10" max) + Polyfilling & \*MS Label**

Optional: Prior to stitching the squares together to form a cube, add appliques to each square (see example in photo) securing with zig zag stitch. Also optional to add ribbon loops along the square edges (be sure they lean inside or they'll end up inside when you TURN OUT.)

On wrong side, mark stopping point 3/8" from top on ALL squares at ALL corners. Placing right sides together, 3/8" seam, straight stitch but stop 3/8" from ALL edges. Attach 4 squares #1 - 4 in a line, side by side, left to right. The second square, along the top and bottom, attach squares (this will be the TOP and BOTTOM).

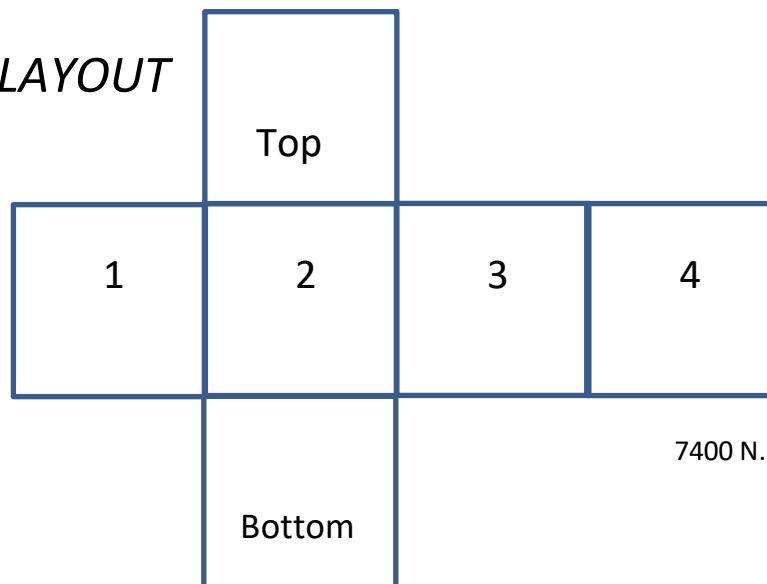

Then #1, sew to Top and Bottom squares, right sides together. Take #3, sew to Top and Bottom squares, right sides together. With #4, sew to TOP square, leaving the Bottom side as the TURN OUT. Sew a Mending Souls label\* in the top of closing. Stuff with polyfilling lightly, just enough for no saggy corners. Stitch closed!

\*If you don't have labels, please contact us!

5.5" square
